Understanding Design Movements - Research Tasks

3. Show evidence of your understanding of each movement, adding images (small annotated moodboard) to support your understanding.
4. Produce an in-depth case study on **one** of the Design Movements.
5. Research and discuss the work of influential designers...

Phillipe Starck, James Dyson, Margaret Calvert, Dieter Rams, Charles & Ray Eames, Marianne Brandt.

What does their work represent? Does it link to a design movement? Present this on A3 with images of their work.
