

## Newport Girls' High School Image Consent - Pupil

Dear Pupil

At Newport Girls' High School we sometimes take photographs/videos of pupils. We use these images in the following ways:

- On the school website
- On our social media accounts i.e. Facebook, Twitter
- In our school newsletter
- On displays around school e.g. sports team photos, photos from trips, prize winners etc.
- In school publications e.g. prospectus
- In local media e.g. Shropshire Star

We would like your consent to take photos/videos of you, and use them in the ways described above. If you're not happy for us to do this, that's no problem, we will accommodate your preferences.

If you change your mind at any time and wish to withdraw consent, or have any questions regarding how and why we use images, please come and see me.

Image consent will be sought on an annual basis from pupils in Year 9 and above. Additionally we would like parental approval of the consent you have given to ensure all any safeguarding or welfare issues are taken into account.

We will store and use images in line with our Records Retention Schedule which can be accessed online at [www.nghs.org.uk](http://www.nghs.org.uk)

Please complete the form below and return to the school office.

Yours sincerely

Mrs K Jones  
Data Protection Officer
